

AGENCY RACF SECURITY CONTACT DESIGNATION

An Agency RACF Security Contact has no capability (access) to the security software RACF.

An Agency RACF Security Contact requests State RACF Administration complete an agency's RACF activities (e.g. creation, maintenance and deletion of UserID, group, dataset and general resource profiles). An Agency RACF Security Contact requests these RACF activities via Finance ISD HelpDesk.

An Agency RACF Security Contact requests Finance ISD HelpDesk to reset passwords and resume revoked UserIDs.

An Agency RACF Security Contact is the State RACF Administration's contact for RACF related activities.
